

# Everything in **one** place to support your child.

**Download  
the app  
today**

*I have two children and can use the app to see how they are getting on in school. I can also manage my finances between the school using the app. One area I really like is the clubs and trips section. I can choose clubs for my child and provide permission and pay electronically! Such a life saver when you are a busy parent!*

## What is MCAS?

**MyChildAtSchool (MCAS)** is a portal that can enable parents to view their child's academic performance in real-time via a web browser mobile app. This facility allows exclusive access to **key academic dates, attendance information** and the personal details the school holds for you and your child. Your school may have launched some or all of the following modules which are available in MCAS:

Assessment

Dinner Money

Online payments

Reports

Attendance

Clubs / Trips

Parents Consents

Pupil  
Details

Behaviour

Homework

Parents Evening
